Thomas – We'll take a look at this, but probably should slow down just a bit. As you probably expect, there's a possibility NFI will file a 23f petition (the deadline is the 13th as you probably know). If it does, it will change some of the landscape – so while we can certainly work on finalizing a draft notice, I'd suggest we wait to see if NFI petitions (so after the 13th) before asking the Court to approve/do anything – if you insist on filing before, it's just going to cause all of us to have to go through a bunch of needless procedural machinations – and who knows, those may all be moot for a variety of reasons.
